# Gastroenterology

Dear Colleague,

The Journal of Gastroenterology is Official Organ of The Turkish Society of Gastroenterology.

Its Turkish issue appears four times a year, and each year one issue prints in English. All issues are delivered to members of T. G. A. freely, no charged.

In Turkish issue, all Turkish articles has a short summarie in English. This journal, including all individual contributions and illustrations published there in, is legally protected by copyright for the duration of the copyright period.

We trust that you will find the articles in this publication interesting and instructive, and we are gratefull for the opportunity to bring them to you.

Very truly yours,

Prof. M. İsmet Yılmaz M.D.  
Presedent of Turkish Society of Gastroenterology
